The checking account numbers are accurate to the bank statements, but there are some missing invoices from our legislative funds.

Ulster Savings Bank

I would like the association to approve the creation of two checking accounts with the Ulster County Savings Bank. One of these will be used for local funds. The other will hold legislative funds.

I would like the association to approve the use of a debit card by the treasurer. All expenses will be listed on the warrant list. Expenses over \$250 will be preapproved.

I would like the association to approve the creation of a PayPal account to be used in conjunction with the debit card.

Procedures

I have included a warrant list in the Treasurer's Report for approval.

The President has been given the bank statements with supporting documentation for review.

Bookkeeper

I have given the bookkeeper at Ulster Savings Account permission to access the records at Ulster Savings Bank. There is one outstanding check from the M&T Bank (for Kanopy shocker). As soon as that check clears, we can close the account.
