The meeting of the Ulster County Library Association was called to order by Margie Menard at 10:02 virtually via Go-to-Meeting.

Rebekkah Smith Aldrich, Executive Director of MHLS started the meeting speaking on the important issues NYLA advocacy day is addressing. These issues included a cut in NY State aid construction funding and the need to pass a bill lowering the number of signatures required for 414 libraries to make it on the

ballot. More information and helpful tools for advocacy can be found on the MHLS and NYLA websites. All library staff and trustees are encouraged to be aware of the issues and advocate.

Julie Kelsall-Dempsey made a motion to accept the December 2021 meeting minutes. Darren Lanspery 2nd. All-in-favor. Minutes approved.

Treasures Report

Please see attached.

Kara reported that the legislative funds were deposited in the bank Friday 2/11/22.

Margie Menard made a motion to accept the treasures report as presented. Christina Jennerich 2nd. All in favor. Approved.

Resource Sharing Committee

Darren Lanspery reported that the book records in Vega are now merged, listing paperback and hardcover books together. Darren requested feedback from the association if member libraries would like to see selection tabs put into Vega for patrons to distinguish between a paperback or a hardcover book. Discussion around how many times this situation happens vs how much work it would be to have this tab. Some members did suggest that patrons do want the paperback book as opposed to a hardcover so this would be a nice feature for some.

Selection Committee

Please see attached.

Brain HQ is ready to be advertised.

There are some libraries using LibraryAware and some libraries who are not; discussion around staff being trained to use the resource.

Some patrons have reported issues with Kanopy after renewing their card, the tech solution is listed in part 2 of the Feb 2022 Selection Committee report.

Current databases and recent Libby purchases are also listed in the report.

Next UCLA Meeting is Tuesday March 15 at 10:00 AM via Go-to-meeting.

Margie Menard made a motion to adjourn at 10:40, Kara Lustiber second.

Respectfully Submitted, Kristen Campbell

Secretary

Dear **ProQuest** Customer:

We are writing today to inform you about a usage issue with Ancestry Library Edition and Heritage Quest Online. Last June, Ancestry was making some upgrades to the image viewer that would improve the security of the content, make content more accessible, reduce down time and improve response time when returning search results. During this upgrade, an error occurred with how page views were being counted with this image viewer. Unfortunately, this issue persisted until January 19, 2021, and the usage data (page views) has been permanently lost. After analysis, Ancestry estimates that actual usage was roughly double what the reported statistics indicate during this period (June 2020 – January 19, 2021). Ancestry has reviewed the situation and will put monitoring in place so that issues can be addressed in a more timely fashion.

We sincerely apologize for this issue. If you have questions about your usage statistics, please do not hesitate to contact your Account Manager. Thank you for your continued support of these databases in your library.

Indie Flix, Great Courses, and Qello Concerts are \$2.99 per checkout for 7 days access. Patrons can then access unlimited videos within that 7-day period. To continue access, they can borrow another 7 days and so on. There are no restrictions in place that would limit one vendor at a time. A patron could utilize a 7-day token from Indie Flix, Great Courses, and Qello simultaneously.

Clarification on Kanopy stats: The count is the number of times a single person used the service. So Fred played eight videos which equals one count.

Play credits are the number of videos that were played for adults. Kids play credits equals unlimited access to the service for 30 days. I would therefore regard kids titles played as the actual number of videos played.

Part 2 – Kanopy Tech Help

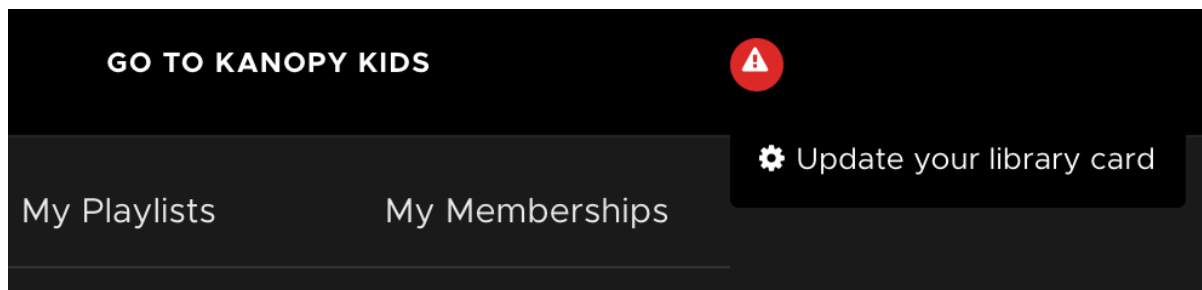

One patron reported difficulty after renewing his/her card. This was the solution:

The system needs them to update his/her library information. Please try to re-enter their new library card number and PIN on Kanopy. To do this:

- Log in to Kanopy with a computer or mobile device.

Once logged in, on the upper right corner of the screen, there should be a red icon with "!" that says update library card, click it.

- You will be redirected to a new page to re-enter your library card and PIN.

Play Credit Breakdown: Libraries set the number of play credits per month. Once a patron plays a film, they have unlimited watches for 48 to 72 hours. The cost is \$2.00 - \$4.00 per play credit for all films on Kanopy other than Kanopy Kids and the Great Courses. Note: When a patron uses a play credit, this allows them 72 hours of access to the film, during which they have unlimited access. This means they can play the same film several times per play credit, meaning that the total number of "plays" on your platform will be higher than the total number of "play credits" used.

Then you have KKids (Kanopy Kids) and KSeries (The Great Courses) which are defined as follows:

Unlimited Access Model for Kanopy Kids/Great Course

- **Kanopy Kids-** Kanopy Kids provides patrons with 30 days of unlimited plays for any video in Kanopy Kids for \$5. This means that once a patron plays 5 seconds or more of a video, the patron will have unlimited plays for any other video(s) in the Kanopy Kids section for the next 30 days. The \$5 fee will trigger on the date of the first play and be invoiced at the end of the calendar month. Monthly invoices will include Kanopy Kids charges as a separate line item. Kanopy Kids does not use a patron credit.
- **The Great Courses-** With The Great Courses on Kanopy, your library patrons have 30 rolling days to watch an entire series from The Great Courses once they press play on any title in that series *without* incurring additional charges to your library. Your library will be invoiced \$5 for every Great Courses series that a patron presses play on. Access to that course remains open for 30 days. Each additional series played from The Great Courses will incur an additional \$5 charge to your library. The \$5 fee will trigger on the date of the first play and will be invoiced at the end of the calendar month. These charges are listed as "KSeries" on your invoice.
