The meeting of the Ulster County Library Association was called to order by Margie Menard at 10:02 virtually via Go-to-Meeting.

Minutes: Katie Scott-Childress made a motion to accept the November 23, 2021, minutes. Kara Lustiber 2nd. All in favor. Approved.

Treasures Report

Please see attached.

The final bills have been submitted to the Ulster County Legislature for 2021 funding.

UCLA has \$6,575.84 in UCLA checking account with \$436.08 Overdrive content credit.

Margie Menard made a motion to accept the warrant list as presented. Christina Jennerich 2nd. All in favor. Approved.

Resource Sharing Committee

Darren Lanspery raised the question the MHLS Resource Sharing Committee would like input on: Does purchase of cost per circ items in Overdrive violate resource sharing standards?

Discussion surrounding the standard allowing cost per circ items to be purchased by libraries in MHLS.

Cost-per-circ items are only available to the purchasing library's patrons.

Cost per circ purchasing would impact smaller libraries whose budget doesn't allow for much Overdrive purchasing b/c of the high cost.

This could also impact current talks between systems sharing Overdrive collections.

Selection Committee

Selection committee recommended to end the separate UCLA Overdrive platform on Dec 31, 2021.

This would mean that the UCLA would no longer have a separate platform in Overdrive containing Craftsy, Indiflix, Quello and Great Courses. However, Craftsy is available for libraries on Hoopla and Overdrive and Great Courses will be provided by Kanopy.

Margie Menard made a motion to discontinue the separate UCLA platform on Overdrive, Katie Scott-Childress Second. All-in favor. Approved.

New Business

Laurie Shedrick joined us to gather feedback on possible Vega modules. MHLS has already engaged in the first two elements of Vega connect; Laurie was looking for feedback regarding group interest.

Margie Menard provided us with more information regarding the Ulster County Legislative request.

Peter Criswell who is putting in the request on behalf of UCLA recommended that we contact our Ulster County Legislatures on the Ways and Means committee to further our request. On Dec 4 a 5 pm the Ways and Means Committee will meet at 5 pm, all UCLA members are welcome to attend. If interested in attending please reach out to Margie.

Next UCLA Meeting is December 21, at 10:00 AM via Go-to-meeting.

Kara Lustiber made a motion to close meeting at 10:51 am, Kristen Campbell 2nd.

Respectfully Submitted, Kristen Campbell

- ❖ Approval of minutes of October 19, 2021 meeting
- ❖ Treasurer's Report
- ❖ Laurie Shedrick will be joining us to help facilitate gathering feedback on the possible additional Vega modules.
- ❖ Discussion item from MHLS Resource Sharing Committee:
 - **Do cost per circ items in OverDrive violate RS standards?**

Background info.:

Cost per circ items are only available in Overdrive to patrons of the purchasing library.

From Resource Sharing Standards:

Copies to Holds Recommended Purchasing

Libraries should own 1 holdable copy for each 4-7 holds; 2 copies for 8-14; 3 copies for 15-23 holds to be picked up at their location. These minimum purchases also apply to audiovisual material. In the case of DVDs, holds are considered by title not format (widescreen or full screen).

Local Hold copies can be made only after a first copy is purchased to be made available system-wide. All items for which there is not already an exception in the MHLS Direct Access Plan, regardless of hold status, must be made available to any MHLS card holder on site. *~Approved by Directors Association 1/8/13.*

Items added to the catalog as Local Holds need to be identified in the call number field. Items will use system defined item types. *~Approved by Directors Association 1/5/2012."*

Selection Committee Report – November 2021

Part 1 – Action Items

Vote to end Ulster County Overdrive Platform on December 31st	See Part 2
---	------------

Part 2 – Database Updates

Although we have until the end of April to decide about whether to keep the Ulster County Overdrive platform, the committee recommends that we end the platform on December 31st. As of 11/9/21, about \$1163.13 in content credit remained in the account. This will cause less disruption for the patrons going forward.

The platform currently includes the following databases: Craftsy, Great Courses, IndieFlix, and Qello. As you can see from the statistics in Part 5, the platform has not been performing well.

The platform itself will cost \$6000 to keep active when we go to renew. That cost does not include Content Credit. Overdrive has not had any progress convincing AcornTV to join the platform.

Great Courses will be included in the Kanopy platform beginning January 1st.

Libraries have at least two options to purchase Craftsy independent of the UCLA:

1. Hoopla – Craftsy content is currently available in Hoopla under television for US \$.99 to \$1.49.
2. Overdrive – Craftsy is available as an add-on for any library.

From Overdrive:

Craftsy is a Cost Per Circ service, meaning you can add the service free of charge and only pay a fee if a patron interacts with the service. It is \$2.99 per 7-day access token. Patrons could access unlimited content for those 7 days. You also have the ability to set a monthly price cap, so you know at the very most how much your monthly invoice would be.

This is similar to our CPC service for ebooks and audiobooks if you've ever used that. You must set a monthly budget in order for these services to be accessible. Think of it as a safety net. You are not committing to that amount up front. It is just saying at the very most, your invoice will be the number you set. If the service does not get used, you will not be charged. Invoices are generated at month end for previous month of usage. You will get a notification when 80% of your budget has been used. You can increase or edit your budget at any time throughout the month. Once your monthly cap is reached, if a patron tries to interact with the service, they will be prompted with a message that it is currently unavailable. I believe it will say "Your library has no more passes for this service this month. Check back later for availability." If you do not want patrons to be blocked, my recommendation is simply to set a very high budget.

CPC services at the Advantage level are not eligible to be shared with the rest of the consortium, meaning only your library's patrons will be able to access this. Also, this way, you are not financially responsible for all of MHLS.

Here is a resource page you can review: <https://resources.overdrive.com/library/apps-features/databases-streaming-media/>

At the bottom are videos on how patrons access these services: <https://resources.overdrive.com/access-extras/>.

Dear **ProQuest** Customer:

We are writing today to inform you about a usage issue with Ancestry Library Edition and Heritage Quest Online. Last June, Ancestry was making some upgrades to the image viewer that would improve the security of the content, make content more accessible, reduce down time and improve response time when returning search results. During this upgrade, an error occurred with how page views were being counted with this image viewer. Unfortunately, this issue persisted until January 19, 2021, and the usage data (page views) has been permanently lost. After analysis, Ancestry estimates that actual usage was roughly double what the reported statistics indicate during this period (June 2020 – January 19, 2021). Ancestry has reviewed the situation and will put monitoring in place so that issues can be addressed in a more timely fashion.

We sincerely apologize for this issue. If you have questions about your usage statistics, please do not hesitate to contact your Account Manager. Thank you for your continued support of these databases in your library.

Indie Flix, Great Courses, and Qello Concerts are \$2.99 per checkout for 7 days access. Patrons can then access unlimited videos within that 7-day period. To continue access, they can borrow another 7 days and so on. There are no restrictions in place that would limit one vendor at a time. A patron could utilize a 7-day token from Indie Flix, Great Courses, and Qello simultaneously.
