The meeting of the Ulster County Library Association was called to order by Katie Scott-Childress at 10:01 am virtually, via Zoom.

Minutes:

Selection Committee Report:

Kara Keene reported that the request for reimbursement of \$102,400 to the Ulster County Legislature was submitted. Craft & Hobby database will be funded, the contract to begin once barcode prefix issues have been resolved with the vendor. Museum passes, including MassMoca have been added to Tixkeeper. Kanopy capped amount is \$43K. If it is not all used, anything left becomes a credit. \$9204 has been credited at this time. Discussion of usage stats included low usage of Niche, and museum pass borrows from Tixkeeper is up overall. Overdrive titles will be ordered.

Treasurer's Report:

Kara Keene reported that the "Cahill Funds" line was removed from the report for clarity. Monies from the "Love Your Libraries" funding was used to purchase museum passes, many have been prepaid into next year.

Christina Jennerich made a motion to approve the warrant list. Julie Kelsall-Dempsey seconded. All-in favor. Approved.

Margie Menard made a motion to approve the Treasurer's report. Tracy Priest seconded. All-in favor. Approved.

UCLA Officers/MHLS Committees:

Margie Menard made a motion to nominate Darren Lanspery for UCLA Vice President, completing the now vacant term of Gillian Murphy. Julie Kelsall-Dempsey seconded. All-in favor. Approved.

Margie Menard made a motion to nominate Julie Kelsall-Dempsey for the SSAC committee. Darren Lanspery seconded. All-in favor. Approved.

Jesse Chance will continue to serve on CLCD. The opening on RSAC will be discussed at the next UCLA meeting. Jennifer Russell has expressed interest in serving on committee, and will be asked to serve in that position.

Treasurer's Duties and Support Committees:

In an effort to lessen the duties of the current Treasurer, Darren Lanspery agreed to manage the EAP tasks for those libraries that participate. Kara Keene will pass over the information. Other lessening and/or sharing of treasurer duties will be considered in the future. Kara Keene and Tracy Priest will discuss a possible co-treasurer scenario.

Discussion: regarding the legislative funding meeting on December 5th at 6pm, at the Ulster County office building in Kingston. Katie Scott-Childress to attend, all directors and trustees are encouraged to attend.

Ad-hoc Committee for Managing Publicity & Digital Resource Manager:

One resume has been received for the manager position. The ad should be shared by the Directors in an effort to gather more candidates. Ad will close on November 30th, then the committee will discuss scheduling interviews.

Website Hosting:

Kara Keene made a motion to continue the \$317 annual contract with MHLS to host the UCLA website. Nicole Lane seconded. All in favor. Approved.

In-Person/Hybrid Meetings:

Discussion regarding holding more UCLA meetings in-person. Consensus is that many Directors find in-person meetings more beneficial. UCLA will continue to hold quarterly in-person meetings and will consider holding additional in-person meetings in the future. Christina Jennerich will create a schedule of meeting locations for 2024.

RSAC Report:

The Committee discussed definition and policy for temporary residents. Once finalized and approved, this will need staff education. Also discussed were the Vega Discover guides.

SSAC Report:

The committee reviewed the final draft of the MOU. Officers were elected, and the salary and benefits survey is forthcoming. Discussion regarding the path of libraries wishing to enter the MHLS, with fairness to all parties considered.

CLCD Report:

Budget being finalized. Funding to keep NOVELNY might still be a possibility at the state level, but it is in a holding pattern currently.

MHLS Staff Report:

Rebekkah Smith-Aldrich reminded Director's that the Vega Discover launch is 2 weeks away. There has been positive feedback for Vega. Online training continues to be available to all staff, with additional trainings forthcoming. Directors are encouraged to send any feedback to MHLS.

Advocacy Day is February 7th. Busses will be provided this year. Flat funding is an issue that NYLA will address to the Governor's office.

Overdrive spending charts will be released in order to educate libraries on where they should be, spending-wise, on Overdrive titles.

Katie Scott-Childress adjourned the meeting at 10:58 am.

Next UCLA Meeting Tuesday, January 16, 2024, via Zoom

Respectfully submitted by Christina Jennerich (Secretary)

As we near the end of the calendar year, each year we ask you to renew your **Website Hosting Contract** with us. **Your library is currently enrolled in the Extended level service agreement**, which is described on the next page. **Your annual cost is \$ 371.** If you simply wish to renew at the same level you will find that a renewal contract has been included. If you wish to move to a different level, please let me know, and I can email you a different version to sign.

The annual fee will be billed by the business office in January. The purpose of this letter is to have your signed contract and commitment up front to help MHLS to negotiate for the services needed to support your website and staff and resource management and prepare invoices.

The majority of your contract rate is used to pay for the hosting space that MHLS chooses to contract for. The MHLS technology team works together to help you keep your website up to date and fresh. We do appreciate that you familiarize yourselves with the following

- Mid-Hudson assumes responsibility for the template content.
- The library assumes the responsibility for the added and unique elements of their own page as submitted through the ticketing system.
- There is no site level administrator access
- Plug ins or widgets are set by MHLS.
- Mid-Hudson manages all updates
- We ask that you submit updates as group when possible

MHLS began hosting and supporting websites as a means to provide a simple solution to member libraries to establish and maintain a web presence. If at any time you wish to migrate from our hosted services, MHLS is glad to help you to have access to your files. Unfortunately, the remainder of your annual fee cannot be refunded.

If you have questions about the service, please send an email to techsupport@midhudson.org

Have a safe and happy New Year!

Play Credit Breakdown: Libraries set the number of play credits per month. Once a patron plays a film, they have unlimited watches for 48 to 72 hours. The cost is \$2.00 - \$4.00 per play credit for all films on Kanopy other than Kanopy Kids and the Great Courses. Note: When a patron uses a play credit, this allows them 72 hours of access to the film, during which they have unlimited access. This means they can play the same film several times per play credit, meaning that the total number of "plays" on your platform will be higher than the total number of "play credits" used.

Then you have KKids (Kanopy Kids) and KSeries (The Great Courses) which are defined as follows:

Unlimited Access Model for Kanopy Kids/Great Course

- **Kanopy Kids-** Kanopy Kids provides patrons with 30 days of unlimited plays for any video in Kanopy Kids for \$5. This means that once a patron plays 5 seconds or more of a video, the patron will have unlimited plays for any other video(s) in the Kanopy Kids section for the next 30 days. The \$5 fee will trigger on the date of the first play and be invoiced at the end of the calendar month. Monthly invoices will include Kanopy Kids charges as a separate line item. Kanopy Kids does not use a patron credit.
- **The Great Courses-** With The Great Courses on Kanopy, your library patrons have 30 rolling days to watch an entire series from The Great Courses once they press play on any title in that series *without* incurring additional charges to your library. Your library will be invoiced \$5 for every Great Courses series that a patron presses play on. Access to that course remains open for 30 days. Each additional series played from The Great Courses will incur an additional \$5 charge to your library. The \$5 fee will trigger on the date of the first play and will be invoiced at the end of the calendar month. These charges are listed as "KSeries" on your invoice.
